## NATIONAL NEWS

### They Danced at the Reunion

When 92 year old Mabel Westcott had knee replacement surgery at the Rutland Regional Medical Center in March, she was required to have a definite goal in mind to be accepted in the intensive therapy unit at the hospital. Her goal - to dance at the family reunion in August. And she did. Maybe it wasn't much of a dance compared to the fancy steps of her grandchildren, but she did take a turn on the dance floor with her walker, to the delight of the crowd. All of her children were at the reunion and many of her grandchildren. In fact, Mabel had five families of four generations at the Summit!

### In the Year 2000

Start the millennium near the center of the contiguous 48 states: Colorado Springs, Colorado. Barlow Westcott and family have invited the SSWDA to Colorado August 4-5-6, 2000. There is easy airport and interstate highway access to the area. Many local attractions include, Air Force Academy, Olympic Training Center, Professional Rodeo Hall of Fame, Pioneer Museum, Pikes Peak, Garden of the Gods.

For more information, contact Barlow M. Westcott, 411 Lakewood Circle B1116, Colorado Springs, CO 80910; Tel. (719) 570-4567; E-mail: W7966 (AOL).

### Gravestone Emblems

A new die of the Westcott Coat of Arms will be cast to be used as a 7" medallion type marker, similar to the DAR or SAR bronze piece, that may be attached to a stone.

Betty Westcott of St. Petersburg, FL will sponsor the making of the die in memory of her husband, George S. Westcott. Bruce Trismen of NJ has been in contact with the U.S. Bronze Sign Company of New York, New York. They presently have available the Society's emblem in bronze mounted on a wooden plaque intended as a wall hanging. They also have a cemetery marker 6" high by 9" wide that comes with a 1-foot stake. Since they have never made the bronze medallion type plaque this new one will fill that need.

Information about this cemetery marker will be printed in the Quarterly as soon as it is available.

### Money for Education

Ned Morris, agent of the SSWDA Scholarship Loan Fund, reports that there is money available in the fund. This money is loaned with **no interest** to any member of our Society for advanced education opportunities.

### SSWDA Award of Recognition

The 1998 SSWDA Award of Recognition was presented to Betty Acker of Ohio for years of dedicated service as president and historian. The certificate commends her for her research and assembling of Westcott family historical materials, for publication of the Westcott car brochure, meeting with state groups to establish or reactivate chapters, and her work in connection with the 1997 Westcott trip to England. Congratulations to Betty Acker, current SSWDA historian.

### Volume III

Message from genealogist, Edna J. Lewis: We have been working to edit and upgrade the script that was presented at our National Meeting. There is a need for more time than anticipated. WESTCOTT'S MAKE MUSIC ON THE MOUNTAIN  
THE SUMMIT, KILLINGTON, VT  
AUGUST 7, 8, 9, 1998

Some of the "cousins" began gathering on Thursday, August 6, at The Summit and other near-by motels. It was a rainy afternoon, so many of us gathered in the lower lounge area of the Hotel to visit and renew friendships. The two St. Bernard dogs in residence gave us a friendly welcome. After dinner all in attendance gathered in the lounge to see a very interesting slide presentation put together by Betty and Clink Acker on the Westcott trip to England the previous year. She narrated the show, helped by comments from others who had been on the trip.

Registration began on Friday morning, August 7 at 9:30 a.m. We came 138 strong from 18 States. The Board of Directors met while arrivals registered and examined the kits prepared by the VT Chapter and given to everyone. Many interesting side trips were suggested with directions and maps showing how to get around. Tours were organized for groups to go together to many places. It was rainy all day but that didn't stop the good times. Those who were checked in went exploring the area. After dinner Friday night the music began. A great barbershop group (all ladies) sang and led the group in rounds. The fun went on when Sharon and Floied Coltey started playing and singing--other cousins joined in a big finale of singing.

Saturday we woke up to sunshine and another Westcott Vermont Daily news sheet slid under our doors. This was a great touch--gave us the schedule for the day, places to visit and eat, tour destinations, items for sale and notice of coming events. After the Memorial service and General Business Meeting, the afternoon was free.

130 of us attended the Saturday night Banquet. After a delicious meal, with a choice of meats, Floied Coltey conducted a 50/50 raffle--\$168 to be divided between the winner and the VT Chapter. Pauline Felix, CA, held the winning ticket. The two Westcott wrenches put up for Silent Auction were bought by Joye Satterfield, IL, for \$31.35 each. Guest speaker was Margaret (Peggy) Jenks who talked about her work cataloguing cemeteries; she also presented a slide show. After that there was more in store--Al & Kathy Bain entertained us with music and easy talk. They sang and accompanied themselves on the bass and guitar.

On Sunday morning the worship service was held in the main meeting room. A children's choir provided special music. Phyllis Reed led singing and Stuart Brown, VT chaplain, took part in the service. Chaplain Seyfarth gave a brief reading and closed with prayer.

All who could stay were invited to attend the VT Chapter meeting--picnic style at Lake St. Catherine State Park. We parted reluctantly in all directions looking forward with eagerness to the next reunion in 2000 in Colorado Springs, CO.

Genealogist: Edna Lewis thanked the group for their patience and support of "Volume III" project. She brought proofing copy of the 800 page genealogy for members to correct where necessary. The book will be titled, "An Account of Descendants from Stukely and Juliana Westcott, A Continuation and Some Corrections of Work Published by Roscoe L. Whitman 1930-1939." It will be dedicated to her parents, Frank and Lucy Wescott Jay, and to the memory of Dr. Howard Westcott. The cost will be about \$80-\$85 and the orders filled directly through her, as this has been her personal project, and the printer will not handle shipment to individuals

Auditors: Marlin Perdue and Maurine Mercer reported the books are in order. It was moved and seconded to accept report. Motion passed.

Nominating Committee: Slate of officers will be presented at the banquet. (Officers stay the same except new chaplain, Sally Winter, Lake City, Iowa.)

Cemetery Marker: President Coltey announced that the die for a bronze family crest to be used on cemetery markers which was voted an approval at the SSWDA Board meeting, will be paid for by Betty Westcott, St. Petersburg, Florida. It will be in memory of her husband, George S. Westcott. The first cut will be placed on George's headstone.

New Business: Wilma Avery made a motion that since we have \$7000 in the treasury, which is not planned for anything else, that \$1000 is moved from the SSWDA funds to the Scholarship Loan Fund. Motioned seconded. President Coltey explained the Fund is separate from Society monies and is controlled by its agent, Ned Morris. He said the board felt that Ned can request funds be moved to the fund when needed and at that time the Board will take action. Motion did not pass 6 to 42.

2000 Reunion: The invitation from Barlow Westcott to hold the meeting in Colorado Springs, Colorado was accepted by unanimous vote. It will be held August 4,5,6, 2000.

### Chapter News

The annual meeting of the New Hampshire Chapter # 12 was held July 19, 1998. Members attended church at Danbury Baptist Church before proceeding to Potter Place for a great pot luck lunch.

Election of officers was held electing a new chaplain, Myrtle Cooper. A discussion was held on how to get the younger generation to become active in the chapter. A silent auction was held to raise money to pay for the meeting place next year.

From the National SSWDA President

President, Sharon Coltey,  
in a serious moment  
with Past-President,  
Mabel L. Wescott

*I can not put into words the way that I felt at our Biennial Meeting in Vermont. The Vermont Chapter is to be commended for the excellent work that was done to accommodate the Cousins and friends that arrived and the family atmosphere that was portrayed throughout the four days.*

*I want to thank all the officers for there co-operation at the business meeting and general meeting. A great milestone was completed when Edna produced the third book which updates the Westcott Descendants from 1939. Thank you Edna and Pauline as I know the research has been long and difficult and that as I write, more history is being accumulated in your files.*

*We have accepted Barlow Westcott's invitation to Colorado in 2000. Anyone that would like to help him and his family with this undertaking either directly or with suggestions he can be contacted by mail, telephone or internet. Mr. Barlow Westcott, 411 Lakewood Circle B1116, Colorado Springs, CO 80910, 719-570-4967, E-Mail: W7966@aol.com.*

*I would like to add one more thought as it isn't the officers or the chapter that make <sup>94%</sup> National Reunions a success but all the people that show up to enjoy the fellowship and understanding of our family, which turned out to be 138 strong. May the Lord be with you until we meet again.*

*Your Cousin,*

Mr. Sharon F. Coltey  
President SSWDA

From the desk of your Society Historian, Betty W. Acker:

Ted Westcott of Woodville, Ohio called me June 23rd to advise that Clara Alford McPherson had passed away in Rock Island, Ill. at the age of nearly 102 years.

She was S.S.W.D.A. member #173 and descended along the Jeremiah/Jeremiah Junior line from Stukely. In 1995 on her 99th birthday she sent me a check for \$25.00 for the Westcott Society. All she wanted in return was any material that I might have on the founder of the Society, Roscoe Whitman. I sent her a copy of "My Boyhood Home" which was written by Roscoe W. and a birthday card. Nice people like Clara are always missed but remembered with the warmest thoughts..
